

## YOUR PERFECT VENUE...

The Embankment of Trent Bridge is steeped in history. In 1907, the famous Nottingham entrepreneur Jesse Boot opened Boots No2 Store here. The premises housed both a pharmaceutical dispensary and his offices. In 2015, Castle Rock Brewery took on operations of the site and restored the building. In 2016 it gained Grade II listed status.

Ideally located on the outskirts of the city centre, the Embankment is a stunning building beside the River Trent and just over the bridge from the world famous Trent Bridge cricket ground. A Tudor style building spanning three floors, with the riverbank on your doorstep, the Embankment is a unique and timeless venue for your event.

We pride ourselves on delivering first-class customer service. Our events team are experienced and passionate, and will work alongside you to help create your perfect day.

So whether you're tying the knot, throwing a private party for family and friends, organising a corporate away-day, or any other event, the Embankment can offer you what you need.

#### WHAT HAPPENS NEXT?

To confirm your wedding date at the Embankment, we require a £500 non-refundable deposit along with a completed booking form.

If you choose to book your wedding ceremony with us, please check availability with the registrar.

Once booked, we'll arrange a second meeting to discuss your ideas and how you envisage your day. We'll organise a menu and wine tasting session for you, and discuss the practical details too.

A final meeting will be arranged, to finalise menus and wines.

6 weeks prior to your wedding, final numbers and a completed table plan are required, and the balance is to be settled.

We will arrange an additional meeting shortly before your big day, to ensure everything is as you wish.
