Testimonials

HELEN AND SIMON, November 2023

“We had the most amazing wedding reception at the Canalhouse thanks to Amy and her team! Amy was so organised and set everything up just as we wanted. Nothing was too much trouble.”

ALEX AND PHILIPPA, October 2023

“Thank you so much for everything, we had the best night, and I think all our guests really enjoyed themselves! So many people said how lovely the venue is and what a great night they were having! We loved the venue, the food was lovely and honestly the night couldn't have gone better! Thank you so much for making the room look beautiful and for all your hard work.”

MR AND MRS COTTERILL, August 2023

“I cannot thank Amy enough for our wonderful wedding reception! The room looked stunning, the food was banging and everyone left saying how beautiful the venue was and I couldn't agree more. We will most certainly be planning events here again and especially if Amy orchestrates it. Cannot rate highly enough.”

GEMMA AND NICK, August 2023

“It's in a good location and the function room was a fab size yet still had an intimate feel to it. Amy was amazing with us all the way through, and was a great help with any bits we struggled to decide on! We loved how well the room was decorated and we were very well looked after by Amy and the team. We opted for canapés, self serve carvery and desserts, with chip cobs in the evening. There were a few different dietary requirements amongst our guests and ourselves, and the team did an amazing job.”
