CASTLE ROCK

We've been brewing in the heart of Nottingham since 1997. Today, we brew an eclectic mix of beers, from classic ales to double IPAs and fruity sours.

Brewing is a labour of love. It relies on a myriad of factors to work in harmony, like a synchronised swim team. It requires equal parts of science and creativity. It needs wisdom and meticulousness, paired with a childlike sense of adventure. And, of course, it must include the best ingredients.

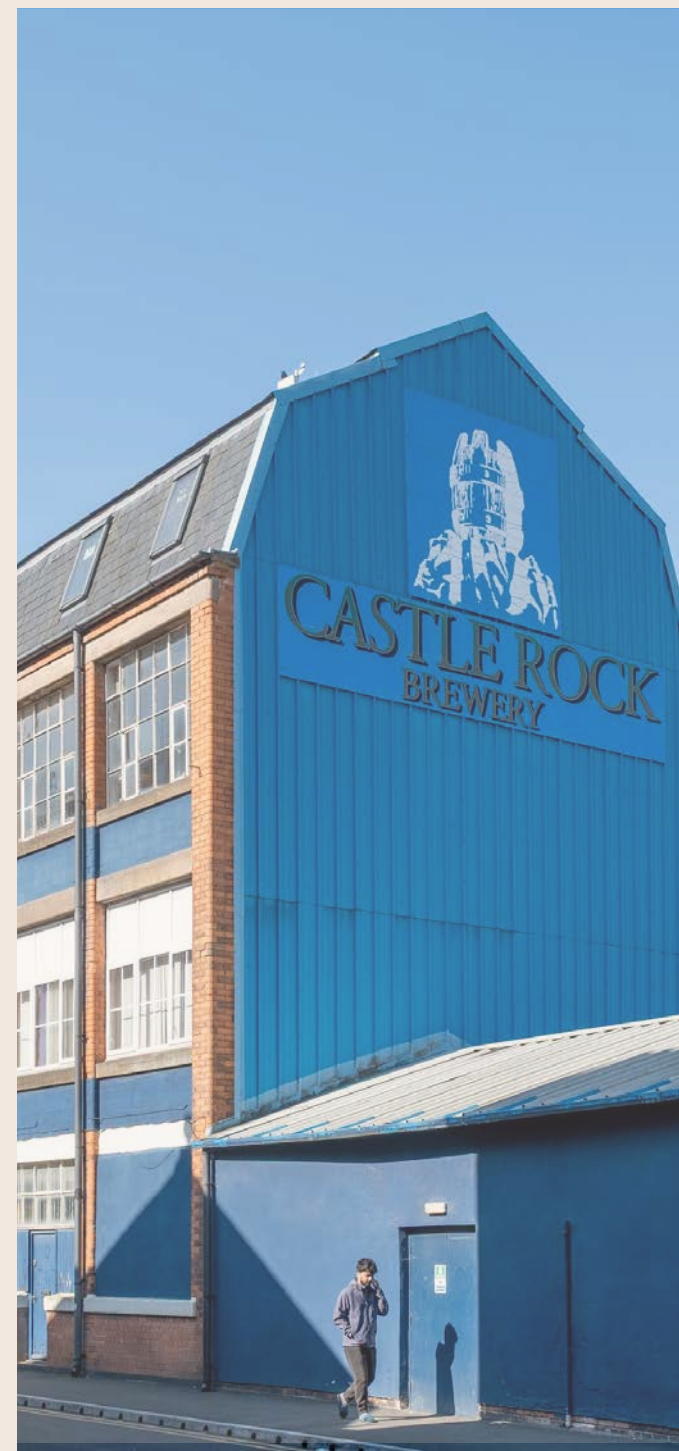

We source the highest quality malts and hops from around the world. Our yeast is a special strain of Hardy & Hanson's. It lends a flavour profile that is distinct and unique to Castle Rock.

Three of our permanent beers have won national awards, and many of our beers are multi-award winners. In 2010, Harvest Pale took home the big one: Supreme Champion Beer of Britain.

But what matters most is that we are making beer drinkers happy and contributing to the world around us in a positive way. Running great pubs and brewing great beer is our humble life's mission.

DRY HOP PALES
ABOUT THE SERIES

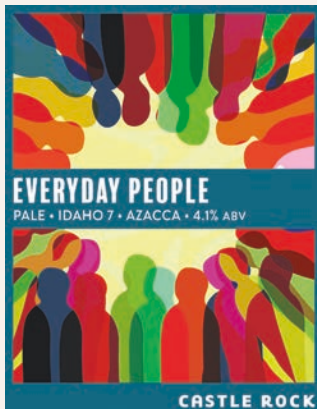

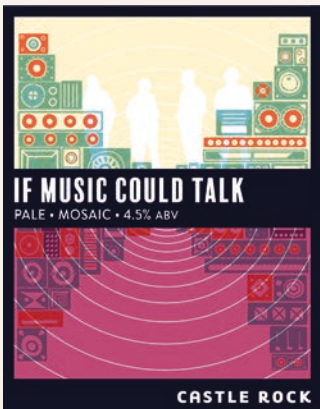

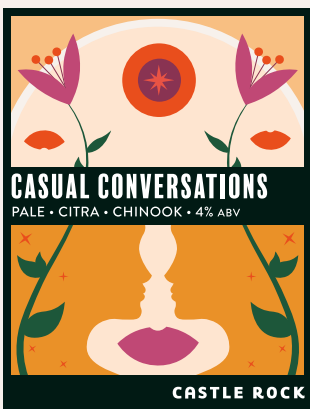

A SERIES OF CASK-ONLY DRY HOP PALES, INSPIRED BY MUSIC FROM THE GREATS

Our dry hop pales are an ode to great cask beer. They are balanced, brewed to sessionable ABVs and presented bright.

Similar to our core beers in terms of process, the focus here is on hop-forward aroma and flavour profiles. We use this range to explore new hops and experiment with different hopping practices.

HAZY PALES

ALWAYS VEGAN, ALWAYS GLUTEN FREE, CASK-ONLY PALES. SHOWCASING SOME OF OUR FAVOURITE HOPS

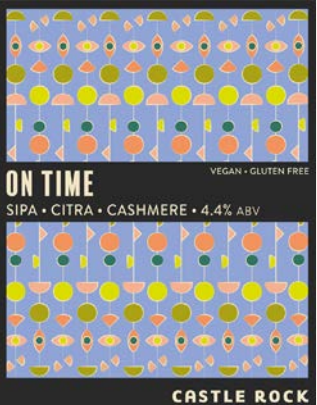

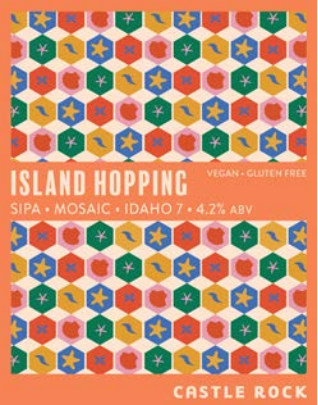

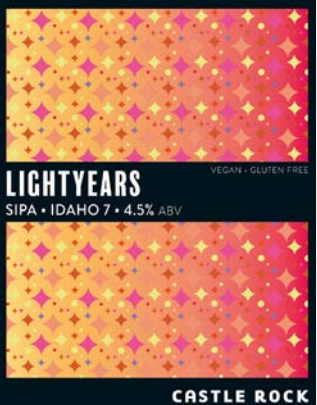

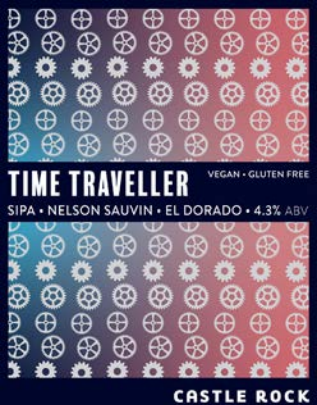

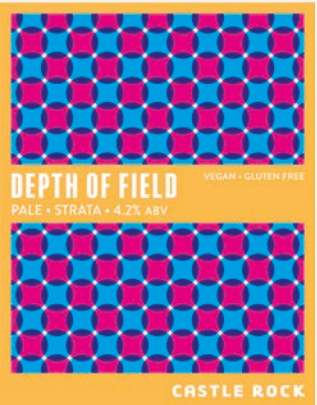

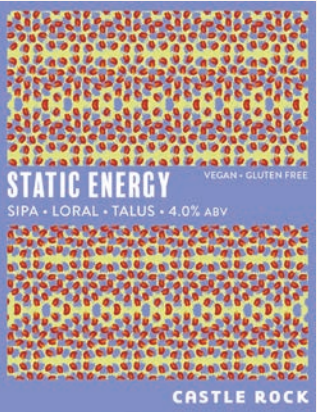

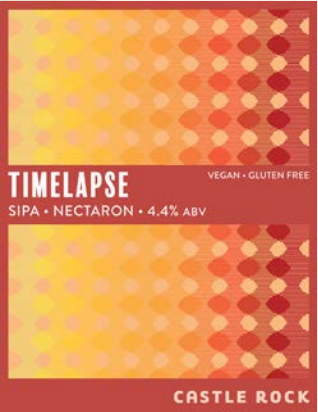

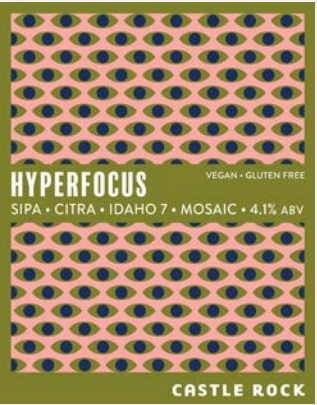

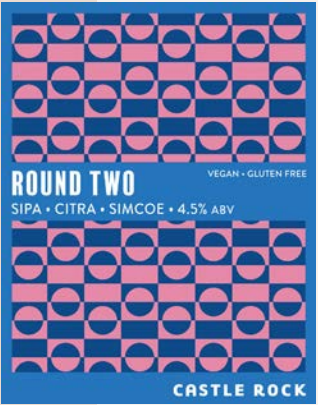

In addition to our diverse core range, we always have a vegan and gluten free hazy pale available.

Designed with eye-catching pump clips featuring small, repeating patterns suggestive of sessionability, our hazy pales are characterised by their playful exploration into hop combinations and the latest hop products.

These beers use some of our favourite hops. Experimenting with a variety of techniques and products allows us to layer up the hop profile and enhance flavour.

BREWERY TOURS

Tours are a great way for you and your friends, family or customers to experience hands-on brewing. Enjoy a private tour for you and your guests, with an introduction to Castle Rock and how we got here; an informative but informal tour of the brewery; insight into the processes and recipes behind our beers; a sampling of beers at our brewery tap, the Vat & Fiddle.

If you'd like to make a day of it, a meal or buffet can also be arranged at our brewery tap or at another Castle Rock pub. Email vatandfiddle-events@castlerockbrewery.co.uk to find out more.
