

# CASTLE ROCK 'NATURAL SELECTION' WILDLIFE BEERS 2010

Since 2001, Castle Rock has brewed a monthly 'Natural Selection' beer with names chosen to highlight flora or fauna under threat. The beers help promote Nottinghamshire Wildlife Trust's work and raise funds for the charity.

<b>JANUARY</b>		<b>GLOW WORM</b> 5.3% ABV A dark beer with a predominantly malt led flavour and some roast character. Low bitterness throughout.
<b>JULY</b>		<b>WILD ANGELICA</b> 3.7% ABV An amber session bitter with a slight malt grain taste, a hoppy aroma and a lasting bitter finish.
<b>FEBRUARY</b>		<b>HAIRSTREAK</b> 3.6% ABV Hersbrucker hops provide the delicate floral aroma over a subtle malt base in this lager style cask ale.
<b>AUGUST</b>		<b>WOOD LARK</b> 4.6% ABV A dark brown bitter with a gentle smoked aroma derived from peated malt.
<b>MARCH</b>		<b>RAPTOR</b> 6.0% ABV An extra stout where rich roast malt flavour combine powerfully with the spicy notes of traditional English hop varieties.
<b>SEPTEMBER</b>		<b>MEADOW BROWN</b> 4.8% ABV A brown ale, amber in colour with a balanced malt / hop character and some caramel sweetness.
<b>APRIL</b>		<b>DINGY SKIPPER</b> 4.5% ABV A pale beer with some malt sweetness counterbalanced by a fruity hop character. Easy drinking for its strength.
<b>OCTOBER</b>		<b>HEBRIDEAN</b> 4.2% ABV Ruby porter with a chocolate and coffee aroma and a long bittersweet finish.
<b>MAY</b>		<b>SHAGGY INK CAP</b> 4.1% ABV A golden coloured full bodied mild with a soft smooth malty taste followed by a short bitter and malt finish.
<b>NOVEMBER</b>		<b>POLECAT</b> 3.9% ABV Light brown in colour with an upfront zesty citrus hop character that lingers.
<b>JUNE</b>		<b>YEW</b> 5.0% ABV A cloudy unfiltered wheat beer brewed with a wheat beer yeast to produce the fruit and clove notes characteristic of the style.
<b>DECEMBER</b>		<b>LORDS &amp; LADIES</b> 5.1% ABV A dark reddish brown winter warmer with hints of fruit and caramel.
