

The
EMBANKMENT
TRENT BRIDGE

Welcome

Welcome to the Embankment at Trent Bridge. You have entered the home of Boots Store 2, which opened in 1907. In 1919 Jesse and Florence Boot created the Boots Social Club, which remained on this site for decades to come.

Relax and enjoy a freshly brewed cup of coffee in the Dispensary, a real ale and craft beer bar created with a nod to the medicinal history of the site. Have a look in the beautifully restored Trent Room and Jesse Boot's office which is largely unchanged.

Whether you're booking or attending a function, dining in the Arkwright Room, or just meeting friends for a drink in one of our bars, you are welcome to walk around and enjoy what this iconic building has to offer.

We hope you enjoy your visit and come back soon.
