

# BEER LABELS WITH RIKKI

Ever wanted to design your own beer can label? Now is your chance. Guided by mega-talented local doodler, **Rikki Marr.**

All of our Yard Party beers are available to be canned so pick a favourite, get it canned by one of our lovely bar assistants and head on over to the beer labels table.

Come with your own ideas or get inspiration from Rikki and turn your wildest dreams for can art into a reality!
