---

Whether it's a small gathering with friends, a large corporate event or a family Christmas Day dinner, the Embankment can cater to your every need this festive season. With over 50 bookable tables, six private rooms available to hire and three menu styles, we're sure that we can tailor your perfect event.

## A GREENER CHRISTMAS

We are committed to reducing our impact on the environment. All pre-ordering and payments can now be completed online. Paper copies of pre-order forms are available upon request, but please help us by staying paperless where possible.

## GOOD TO KNOW

Please note, all of our Christmas packages must be pre-ordered and paid for at least one week before your event. Both the festive menu and the festive banquet menu are available from 1st-24th December. For groups over 20, room hire charges may apply.

Due to continuing supply issues some substitutions may be necessary. All allergen information is available at the time of booking. Most dietary requirements can be accommodated on request.

For the benefit of our customers, we have now introduced a parking system. Parking for patrons is free of charge; just enter your registration details into the terminals at the bar. If you have any queries, please ask.
